

**Marlow Energy
Group (MEG)**

**"Ask the Experts" Programme
7.00 p.m. Tuesday 17th of September 2024**

The Heat Pump Question

This talk on how to decarbonise your property will be presented by Andrew Cunningham. Andrew is a Retrofit Coordinator and heat pump Installer for Econic Energy.

Andrew is trained on how to advise households on low carbon choices for their properties and will discuss the issue of 'fabric first' and the myths surrounding heat pumps.

This will be a one hour Teams meeting at 7.00pm on Tuesday the 17th of September
